MFR009: Ubeboet – Archival

Archival is the first vinyl release for Ubeboet.

For this album Ubeboet worked with several field-recordings and created his own sound world with it. While at times there are hints of musique-concrete masters like Nurse With Wound at the same time ethereal moments that in a distant remind of the classic Popol Vuh work. But while this inspiration can be heard Ubeboet has his own sound. As a true master he creates his own minimal sound world.

Archival is released as vinyl only release limited to 200 and is available through <http://www.movingfurniturerecords.com>.
